Statistical tables

The following is a list of tables published in the main report of the 1998 Census. They are available for download here, using Excel 97 format. Some users have recently reported problems accessing these files, for which we apologise. We hope that these have been corrected, but if you still experience difficulties, please e-mail us at enquiries@statistics.gov.mw

Note that some of these files may take some time to download.

The tables are classified by:

- [Rural and urban areas at national and regional levels](#)
- [Region, district and TAs](#)
- [Sex and district](#)
- [Region](#)
- [District](#)
